VILLAGE OF BURR RIDGE PLAN COMMISSION AND ZONING BOARD OF APPEALS

Description of Public Hearing Process

1. PRE-APPLICATION REVIEW

Prior to any submittal to the Plan Commission (the Plan Commission is empowered also to act as the Zoning Board of Appeals), a pre-application review must be completed. The pre-application review consists of a submittal of plans to the Community Development Director and review of the plans by Village staff. The purpose of the pre-application review is to determine compliance with relevant Village policies and regulations including the Comprehensive Land Use Plan, Zoning Ordinance, Sign Ordinance, and Subdivision Ordinance. Upon completion of the pre-application review, the petitioner will have the opportunity to modify plans to comply with Village policies and regulations.

A. Required Submittals: Submittal requirements for a pre-application review are flexible based on the nature of the request. Generally, a written description of the request; a plat of survey for the property; and site and landscape plans should be submitted. A review fee of \$42 or more may be required depending upon the nature of the request. The pre-application review should include at least one meeting with the Community Development Director at which time the appropriate submittals and fees will be determined.

B. Submittal Deadline: Documentation for a pre-application review should be submitted to the Community Development Department at least four weeks prior to the public hearing.

2. SUBMITTAL OF PETITION FOR PUBLIC HEARING

Upon completion of the pre-application review, a petition for rezoning, special use, or variation may be submitted.

A. Required Submittals; Please refer to the petition form for a complete list of required submittals. Additional submittals may be required if determined appropriate by the Community Development Director. The Director should be consulted to determine if additional information will be necessary. All submittals must be received by the Community Development Department prior to the submittal deadline.

B. Submittal Deadline: All required submittals must be received at least three weeks prior to the public hearing.

3. PUBLIC HEARING NOTICES

There are three forms of public hearing notices required: posting of a sign on the premises, publication of notice in a local newspaper, and notification by postal service to all adjoining property owners within 750 feet of the property. The petitioner is required to sign a written consent to allow the posting of the sign and to provide the list of all adjacent property owners based on Township Assessor's records. Failure to provide an accurate list of the adjacent property owners may cause delays in the public hearing process. The Village of Burr Ridge is responsible for preparing, mailing, publication, and posting of the legal notices.

4. PUBLICATION OF STAFF SUMMARY AND REPORT

A written report and summary, prepared by the Community Development Director, will be distributed the week preceding the public hearing. The report will include a summary and analysis of the petitioner's request based upon Village policies and regulations. The report also may include recommended conditions for approval of the request. Such conditions do not in any way reflect the Plan Commission's recommendation but are intended to provide guidance to the Plan Commission should they decide to recommend approval.

The staff report and summary will be faxed to the petitioner (it will be mailed and will be available at the Village Hall if a fax is not available) and distributed to the Plan Commission prior to the public hearing. Petitioners should review the staff summary prior to the public hearing and be prepared to respond to any issues or recommendations described in the report.

All recommendations and comments provided by staff are strictly advisory. Final decisions on procedures, conditions, and petitions for rezoning, special uses, or variations are the sole authority of the Plan Commission and Board of Trustees.

5. PLAN COMMISSION PUBLIC HEARING

At the public hearing, the applicant must present testimony relative to the required findings of fact for a petition. All documents and exhibits to be presented at the public hearing should be provided to the Community Development Department at least 7 days prior to the hearing. Submittal of new documents or exhibits at the public hearing may result in a continuance to a subsequent date. The petitioner's presentation will be followed by public participation and questions from the Plan Commission.

After the public hearing has been closed, the Plan Commission will

consider its recommendations regarding the rezoning, special use, text amendment, or variation. Further comments or questions from the petitioner or the public will only be allowed at the discretion of the Plan Commission. The Plan Commission may recommend denial, approval, or approval with conditions. The Plan Commission also may continue a petition to a later meeting if additional information or consideration is determined appropriate.

If the Plan Commission recommends approval of a petition, they may adopt the findings of fact submitted by the petitioner as the reasons for its recommendation. Therefore, it is essential that the petitioner's findings of fact be complete and accurate. The Plan Commission's findings of fact and recommendation are forwarded to the Board of Trustees for final consideration.

6. PREPARATION OF LETTER OF RECOMMENDATION

Subsequent to the Plan Commission's recommendation, the Community Development Department will prepare a letter of recommendation from the Plan Commission to the Board of Trustees summarizing the public hearing and the Plan Commission's recommendation. Minutes of the public hearing also will be submitted to the Board of Trustees.

All recommendations and comments from the Plan Commission and Village staff are strictly advisory. Final decisions on all petitions for rezoning, special uses, text amendment, or variations are the sole authority of the Village of Burr Ridge Board of Trustees.

7. CONSIDERATION BY THE BOARD OF TRUSTEES

At its next regularly scheduled meeting after the Plan Commission public hearing, the Board of Trustees will consider the Plan Commission's recommendation and the submitted petition. A formal presentation is not required but the petitioner should be present to answer questions or provide information.

Routine or non-controversial matters may be placed on the Board's consent agenda. If a Trustee, petitioner, citizen, or Village staff wants further discussion, the request will be removed from the consent agenda and discussion will be allowed by direction of the Village President. If the petition remains on the consent agenda and the consent agenda is approved, the Board of Trustees will have indicated concurrence with the Plan Commission's recommendation and directed staff to prepare an Ordinance approving or denying the petition as recommended by the Plan Commission.

8. FINAL ACTION BY THE BOARD OF TRUSTEES

A draft Ordinance will be submitted to the Village of Burr Ridge Board of Trustees' for final action. Typically, the draft Ordinance will be placed on the Board's consent agenda and discussed only if it is removed from the consent agenda.

9. PROCEEDINGS AFTER APPROVAL OF A PETITION

If the Board of Trustees approves a rezoning, special use, or variation, the petitioner will receive a copy of the approved ordinance within one to two weeks following such approval. After the Ordinance has been approved by the Board of Trustees, the property owner (or designated authority) may proceed with submittal of a preliminary plat of subdivision, building permit application, or Certificate of Occupancy as may be appropriate.
